Friday Enrichment REGISTRATION FORM

Date: _____

Child's Name: _____

Class: _____

If you think your child could benefit from a 5th day of school - look no further! Friday enrichment is for you! This optional 5th day program is rooted in the project-based curriculum approach. Children will be working on long term projects throughout the course of the school year on a rotating basis for more long term, observational learning. This is a supplement to our Monday-Thursday program, and is only open to currently enrolled students. Please return this form to include your student in this exciting

opportunity next year!

1st Friday: Music Project

2nd Friday: Science Project

3rd Friday: Math Project

4th Friday: Art Project

9:00am – 12:00pm
