Based on research in child development, this class is designed to help your student have a smooth introduction into a preschool environment and gradually extends the amount of time they are away from their caregivers. Classes will be led by a teacher in our big room, and parents will take turns volunteering each week. All parents must stay on site, but a parent lounge will be set up for your convenience. The class will include a short circle time, free play, snack, and small project. Once your child turns 3, you will be able to leave the premises during class time when it is not your helper week, thus creating an effortless separation transition for both you and your child!

Ratio: 1:5

Tuition

Registration Fee: \$50

Activity Fee: \$25

Tuition:

September - December

\$100/Month

January - May

\$125/Month
